Dear Parents and Guardians,

Due to a clarification of guidelines regarding required minutes by the Colorado Department of Education, it has become necessary to make an adjustment to our schedule. After carefully weighing the options, we collectively as a district decided to extend first and second semester final exam days to full days of school instead of early dismissal days. The revised 2018-2019 schedule is attached here. We apologize for an inconvenience due to this change. More information will follow as we get closer to our semester exams.

Sincerely,  
Jean Incitti
