Dear Eli Woody,

It is with great pleasure that I welcome you to the society of coaches privileged to receive the National Speech & Debate Association's Distinguished Service Gold Key. Your achievement of 20 citations reflects an outstanding commitment to the service of others and betterment of our community.

Bruno E. Jacob, the founder of the National Speech & Debate Association, initiated the Distinguished Service Award in 1925. This award recognizes coaches who selflessly serve the Association. From hosting and tabulating tournaments, to serving as a local district leader, to serving as an advocate for speech and debate, your work is important and appreciated. Additionally, service is one of the tenets of our Code of Honor. By choosing to devote your talents to others, you demonstrate the spirit of our organization at its finest.

Thank you for all you do to support your students and the speech and debate community. Your work has provided students a platform to share their voices. It is my distinct pleasure to present you with the National Speech & Debate Association's Distinguished Service Gold Key. Congratulations!

Sincerely,

J. Scott Wunn
